MEMORANDUM FOR: Colonel White

SUBJECT : Request of [REDACTED] to Remain in the Employ
of the Agency Following Marriage to a Foreign
National

25X1A

1. Pursuant to your instructions re the attached alien marriage case [REDACTED], I checked the guiding regulation [REDACTED] "Marriage of Employees", and Personnel to determine procedure et al. The regulation sets up Personnel as the clearing house for this type of case, i.e., they pull all pertinent documents and opinions together and forward same direct to DCI (DDCI in practice). The memo drawn up for your signature going to the DCI through the Director of Personnel is a reasonable interpretation of prescribed procedure. However, the same product could have been obtained by simply sending the office recommendation (Office of Communications) to the appropriate Deputy (DD/S) for an approval or disapproval endorsement. I suggest simply an approving endorsement of [REDACTED] recommendation which is quite in order.

2. A proposed endorsement is attached. Recommend signature.
